

## Grade 6 MATH: December 13-17

Mixed review week...

DATE	CLASS TIME	HOMEWORK
MON	Christmas story problems	Finish class work
TUES	Review of slope	Slope paper
WED	Make egg carton integer game	Finish lid for game
THUR	Quick quiz; play integer games	Type 5 Christmas story problems
FRI	Solve classmates' story problems	None : )

## Grade 7 MATH: December 13-17

Mixed review week...

DATE	CLASS TIME	HOMEWORK
MON	Christmas word problems	Finish class work
TUES	Slope project; more Christmas problems	Type 6 Christmas math story problems
WED	Solve classmates Christmas problems	Correct the Christmas problems
THUR	Review problems	Finish class work
FRI	Quick Quiz ? Christmas carols in gym	None : )

In Grades 6, 7, and 8, we will be using a website called [www.mathwarehouse.com](http://www.mathwarehouse.com).

On the interactive tab, you can go to linear equations and find a nifty way to graph lines on a coordinate plane. There are also many other activities related to topics we've covered such as integers and solving equations.

## Grade 8 ALGEBRA: December 13-17

We are beginning Chapter 5 on Linear Equations.

The students have received a lengthy review packet of Ch. 1-5 for midterm preparation. This is due on January 12. Midterm will probably be January 14.

DATE	CLASS TIME	HOMEWORK
MON	Chapter 4 test	
TUES	5.1: Slope intercept form	P 276-277 #1-39
WED	5.2: Slope point form	P 282-283: #1-11 all; 13-41odd; #42-45 all
THUR	5.3: Equations from 2 points	PR 5-3A paper
FRI	Quiz on 5.1-5.3 Math Games!	None : )

I have discovered the codes to access our algebra textbook online, where the entire textbook is printed, as well as additional resources and activities! The student access code is:  
**MCDPGW4BY6EGA**
