

## Math Geometry Arts Project

- ✓ Choose one of the following projects.
- ✓ The final project is due Thursday, May 20<sup>th</sup>.
- ✓ The project will count as a test grade.
- ✓ You will be given some class time to work on it.
- ✓ The Story Book and Poetry Project are individual projects or for two people.
- ✓ The Song or Rap may be done individually or in a group of up to four people.

### **Story Book**

- ❖ Write a story related to a geometric formula, idea, shape or shapes.
- ❖ It must be illustrated in color with a title on a cover page.
- ❖ Illustrations may be computer generated or drawn by hand.
- ❖ The text should be typed.
- ❖ You would read the story to the class and to another younger class.

### **Poetry Project**

- ❖ Write a collection of poems related to geometry.
- ❖ You need to have four different types of poems, including at least one rhyming poem and at least six haikus.
- ❖ All together you need at least 12 poems.
- ❖ The poems need to be typed in a booklet form with a title on a cover page and some color illustrations on each page.
- ❖ You would read some of the poems to the class and to another younger class.

### **Song or Rap**

- ❖ Write a song or a rap related to geometry.
- ❖ If you work individually, the song or rap must have at least 20 lines.
- ❖ If you work in a group, the song must have at least 30 lines.
- ❖ The song must be typed.
- ❖ It must be set to a tune.
- ❖ You may use instruments, background recorded music, or if possible, I would play the piano for you.
- ❖ You would sing the song for the class and for another younger class.
