Wednesday: P.E.
Atrium

Thursday: Music
Library

Friday: Technology
Art

In phonics, we will begin working on short e.

In math, we will continue working on subtraction.

December Birthday
Aidan Gutschow-Dec. 29th

In science, the students will be learning about solids, liquids, and gases.

A Room Mother may be contacting you to send in goodies for our Christmas party. Thank you!

Student of the Week

Avery Luster

Avery's birthday is March 25th. He has 2 dogs named Rhea and Trinity.

His favorite food is macaroni and cheese.

Someday he wants to be a paramedic and a priest in the Army. Two things he likes to do are play Army and Star Wars with his friends. He also likes to play tag and go to church with Fr. Marc.

Through Advent, many of the children have been "caught" doing good deeds at school. Please encourage your child to do this at home also. I am very proud of the students!

The first graders have been making a Jesse Tree with the kindergarten and second grade class.
