Science Research Projects
are due by Monday, March 29th.

The end of the 3rd quarter is
March 29th. Report cards will
be sent home April 14th.

Please encourage your child
to do his/her BEST work. I
think some of the students
are not working to their
potential. Thank you!

In phonics, we will keep
reviewing long and short
vowels, but we will be
moving on to consonant
blends and using y as a
vowel.

In math, the students will be
working on Money. This can
be a difficult concept for
some children, so I am asking
for your extra support at
home. Thank you!

The new spelling words are:
fast, last, nest, must, most,
step, stamp, still, school, and
their.

Thank you for all the parents
who supported the SMS
Auction. Our 1st grade basket
was awesome! Thank you
Sally and Colleen!

In science, we will be finishing
up our Weather Unit.

In Reader's Workshop, the
students will be learning how
to use pictures, illustrations,
and diagrams when they are
reading.
