In phonics, the students will be finishing up Unit 4 on blends and y as a vowel.

In Writing Worshop, we will be doing Poetry. April is National Poetry Month.

In math, the students will be finishing up the chapter on money. We will also have a "class store" so that the students can purchase items with pretend money.

We are finished with Science for the year and now we are going to work more on Social Studies. Over the next few weeks we will focus on producers and consumers, needs and wants, and goods and services.

The Flat Stanleys have arrived back safely. They all seem to be tired from their adventures! We have sent thank you notes and pictures to our host families. What fun this was!!
