In phonics, we will be working on th, wh, sh, ch, and kn diagraphs.

The new spelling words are: cow, now, down, town, brown, show, row, low, played, and fishing.

We will continue working on Poetry.

Please note that the Peter Rabbit play for Music class will be on May 13th, not May 3rd.

In math, the students are working on addition and subtraction to 20.

The children are doing a great job with their independent reading and conferencing with me.

May book orders are due May 3rd. This will be the last book order of the year.

I think the students had fun purchasing items from the First Grade Class Store. They all purchased their items separately, which was fine. In first grade the students are just learning some basic concepts about money. They do not need to have it mastered, but they should know how to do word problems that involve money and how to add and subtract money.
