I hope all of you enjoy your child's Book of Poetry as much as I did. They even got to share them with the 5th graders because they just finished doing poetry also. Way to go 1st grade!

In Reading Workshop, we have been working on characters in stories. In Writing Workshop the students have been learning how to use their 5 senses when writing. They are writing great stories about themselves as animals.

In math, we will be working on Time. We will then finish the year with Measurement.

In religion, the students will be learning about the 10 Commandments.

In the next few weeks, we will be finishing up our last Standard in Social Studies. We will identify a school issue and a way to inform others about the issue.

Over the next few weeks, I will be evaluating the students on their reading and comprehension by using the DRA (Developmental Reading Assessment). I have done this every quarter and I love to

see the improvement that the students are making.
