Dear Parent,

I must apologize for having all of my dates a week ahead in last week's letter. I am so embarrassed! This is why I need to retire, before I forget my name! Hopefully, everything is correct this week.

We are moving along quickly in all subjects. The children are really working continuously. They are real troopers!

Hope to see many of you at the auction on Saturday.

Have a great weekend.

Respectfully,
Mrs. Focht
