Science- No Science. Teaching lots of Social Studies.

Dear Parent,

I hope all of you have a Happy Easter!

Thank you so much for making my Birthday so special. Thank you for all the wonderful cards, Birthday banners, flowers, gifts, and the delicious cupcakes. We had a great time!

Mrs. Bronson and I are planning a field trip to the Father Casey Center in Detroit. This trip will reinforce the Beatitudes the children just learned. It is a wonderful time.

I will have more information on this trip when we return from Easter break. I will need drivers. Drivers need to stay and chaperone. The children will enjoy this trip and so will you.

Enjoy your family week together.

Respectfully,

Mrs. Focht
