Dear Parent,

Tuesday we are visiting the Fr. Solanus Casey Center. We will leave by 8:00 and return around 2:00. Please pack a lunch for your children. The children may bring money to buy something nice at the gift shop. I know the children will enjoy this visit!

We will finish our Religion book this week.

We will learn about other religions the following week. I purchased a small paper back book discussing several other Religions. This is part of what the children need to know.

I am interested in having a few of our parents come in and speak about their faith.

Please let me know if you are interested in coming in and sharing your faith. I will arrange your time at your convenience. It would be the week of May 24 - 27.

Have a great weekend!

Respectfully,
Mrs. Focht
