

Dear Fourth Grade Parents,

I want to thank you for entrusting your children to me for this year. It has been a challenging year with all of the new standards and changes. Your children embraced these challenges with such commitment. I know they worked very hard but I also know they learned so much.

It has been a fun year as well. Our kickball games on the playground were so much fun.

Teaching the boys to jump rope was my favorite. They were such good sports and actually would participate quite often.

I really feel the children have grown in their compassion and kindness to each other. I know they will be a wonderful class throughout their years at St. Mary's.

The year went too quickly for me. When we started I thought we had so much time and now the time has come to say goodbye. This is always hard for me. As a teacher you really get attached to your children. They become part of your own.

Thank you for all you have done to make this year a good year for your children and me. I appreciate you.

May God Bless you and your families.

Have a safe and happy summer!

Respectfully,

Mrs. Focht
