

Kindergarten News

Dear Parents,

It was nice to see familiar and new faces at the Open House yesterday. It was a tremendous day for the St. Mary's School family! Many enjoyed visiting our classroom and the slide show on our television.

Today we met Ms. "L" who has the longest laugh. We will complete our unit on polar animals this week and are exploring addition. We saw Mr. Shay today and will have gym again on Friday.

Another class book is in the works. Please see the attached note regarding our "Kindergarten Rhyming Book". It is sure to be a good story!

The next Scholastic Book Order was sent home today. If you care to purchase any books, please send in your order by Tuesday, February 2nd.

Have a good week!

Sincerely,
Mrs. Pulter
