

Kindergarten News

Dear Parents,

What a surprise we had last week - two snow days! I hope you all enjoyed the extended winter break.

Today we celebrated Valentine's Day. Thank you to those who sent in the treats for our party and to the room mothers for coordinating the fun.

Tomorrow the class will meet "Mr. D" who is a "dazzling dancer". They will also learn about President Washington and President Lincoln this week. Gym will be on Friday.

As you may know, Mrs. Curtis has made arrangements for some of the teachers to attend training for the "Reading and Writing Workshop" at Columbia University this week. I am privileged to be one of them. The kindergartners are blessed to have Mrs. LaBeau as their teacher this week. She truly is an angel to each of us. I will miss my students, but I know the boys and girls are in very good hands and will have a wonderful week with her.

I hope you have a good week, too. Thank you!

Mrs. Pulter
