

Kindergarten News

Dear Parents,

As we begin the month of March we find ourselves more than half way through the year and approaching the end of the third quarter (March 29th). During this month we will begin the process of discontinuing the rest period during the day as the children are older now and preparing to enter first grade. Be assured, though, snack, recess and "brain breaks" will continue.

Beginning Monday your child will no longer need to bring a blanket or pillow to school. Stuffed animal friends may still come to school through the end of March, if you wish. Beginning with the fourth quarter they will stay home.

Also, the kindergartners will attend the "Fathers" mass on March 19th and then be in attendance regularly with the rest of the school during the fourth quarter.

They are growing up! If you have any questions or concerns regarding these changes please do not hesitate to contact me.

Thank you,

Mrs. Pulter
