

# Kindergarten News

Dear Parents,

We met Letter Light "I" today and will learn more about measuring with inches this week. Gym will be on Wednesday.

Tomorrow is our 100<sup>th</sup> Day of School!!!! Thank you for helping your child select and count 100 items to bring in. We plan to line them up and measure them. Be sure to check your child's bookbag and ask about all our 100<sup>th</sup> day activities!

We are looking forward to celebrating Valentine's Day on Thursday. We will share valentines, a special treat and play some "heartwarming" games.

We want to thank the room mothers for coordinating our parties and those sending in the treats. Your generosity is very much appreciated!

Please remember there will be no school on Friday and next Monday due to the Winter Break. I hope you enjoy the long weekend!

Happy 100<sup>th</sup> Day!  
Happy Valentine's Day!

Mrs. Pulter
