

Kindergarten News

Dear Parents,

We met Mr. Z who has "Zipping Zippers" today. The class has done a nice job exploring the concept of addition and this week we will begin learning about subtraction. Gym is on Wednesday this week.

We will begin a special project today that promotes helpful and kind acts at home and at school during the season of Lent. Please see the note sent home with your child. If you have any questions, just let me know. Also, watch for the "Making Choices Game" that will come home later in the week. It, too, will reinforce being good helpers and making the right choices.

We are busy getting ready for our "Donuts with Dad" program. We look forward to celebrating with our fathers on Friday!

See you on Friday, Dads! Have a good week!

Mrs. Pulter
