

Kindergarten News

Dear Parents,

We want to thank all those who helped make the Auction on Saturday night a success. The Kindergarten basket went for \$700.00!!!! It was a fun night and the tremendous support of our school is very much appreciated!

Today we met Letter Person X. He likes to be different sometimes (for example, he stands on his hands). We will review subtraction, continue writing in our journals and look for interesting words as we read this week. We had gym today and will have it again on Friday.

The kindergartners are **VERY EXCITED** about their leprechaun traps. Traps could be brought in today or tomorrow. It should be a very interesting St. Patrick's Day! Thank you for assisting their creativity!

Our being kind and helpful Lenten project is going well. I am seeing many thoughtful actions and hearing nice words here at school. I hope you are experiencing the same at home. The charts should be filling up with a beautiful array of flowers. They may be returned to school when they are completed. We will display them in the hallway.

Scholastic Book orders are due tomorrow for those who care to order this month.

Happy St. Patrick's Day!

Mrs. Pulter
