

Kindergarten News

Dear Parents,

Welcome back! I hope you enjoyed a blessed, fun and relaxing Easter vacation!

Today we met Letter Person "W" who knows many wonderful words. With her help, as we read this week, we will practice picking out "who" our stories are about and "what" happens in each of them. I would encourage you to do the same as your child reads a Book Club book to you at night. They are questions that promote comprehension.

Third quarter report cards came home today. The class has been working hard and it shows!

This week we will have fun learning about bears. Friday is our Teddy Bear Picnic day. All are invited to bring in a favorite teddy bear on Friday (one that fits inside a bookbag). Room Mothers have made arrangements for treats. We are sure to have a "beary" good time!

Please remember that on next Tuesday, April 20th, the class will not have school as I will be part of the team screening the incoming kindergartners.

Gym will be on Wednesday. Have a good week!

Thank you!

Mrs. Pulter
