

Kindergarten News

Dear Parents,

We did, indeed, have a "beary" good time at our Teddy Bear Picnic last Friday. Our thanks to the room mothers for coordinating the treats and to all those who sent them in!

Today we met Letter Person "Y" who has a yodeling yawn. We will be studying wind, weather and the earth as we celebrate Earth Day. Please see the letter sent home today about a "Months of the Year" project we are working on.

As we look ahead to the months of May and June I wanted to share some reminders and some new dates to add to your calendars:

- May 5th - Firefighter Phil will visit with his fire safety program
- May 7th - Muffins with Mom in the morning in the PLC
 - Mass with Bishop Reiss in the afternoon at the IHM Motherhouse (permission slips will be sent home)
- June 2nd - Fieldtrip to the Lake Erie Metropark for the "Going Buggy" program.
- June 7th - Class Picnic at Munson Park

Please remember tomorrow is a day off for the class. The incoming kindergartners will be here. Enjoy the day with your child! I will look forward to seeing them all again on Wednesday.

Have a good week!

Mrs. Pulter
