

Kindergarten News

Dear Parents,

We had such a wonderful time celebrating your special day with you, Moms! We really enjoyed having you here to honor you for all you do! Thank you for sharing this special time with us!

Our trip to the IHM Motherhouse for the mass with Bishop Reiss went well. The weather in the morning did not look promising, but the rain stopped, the sun peeked out periodically and we had a pleasant walk. We want to thank the moms who joined us on our walk and at mass. We appreciate you being there!

Tomorrow we will have a presentation by the staff from the Dorsch Library regarding the summer reading program offered by the Monroe County Library system. Watch for information in your child's bookbag.

Wednesday will be our gym day this week. It is also a Spirit Wear Day.

In Social Studies lessons we have been studying the past, present and future. I would like each kindergartner to bring in one of their baby pictures for a special project. (We are going to try to figure out who each picture is.) We will need the pictures by Friday. Thank you for helping your child find one.

Sincerely,
Mrs. Pulter
