

Kindergarten News

Dear Parents,

The baby pictures are adorable! We had fun trying to guess who each baby is. In our journals this week we will be writing about special things we did as babies.

The fifth grade class has been visiting with us periodically. First, they read various "Clifford" books with a kindergarten partner, discussing the beginning, middle and ending of the story. Next, they sequenced the events in the book, found the problem Clifford encountered and discovered what happened to solve the problem. Now they are engaged in writing their own Clifford stories. They are imaginative and creative! We really appreciate our fifth grade friends!

In science we are studying plants and what they need to grow and live. Various experiments will help us determine those needs.

It has come to my attention that the liability limit recommendations from the archdiocese of Detroit may be higher than most families carry on their vehicles. With this in mind, I would like to know if you would be willing to pay to use the SMCC bus to travel to the metropark on June 2nd for the "Going Buggy" program. The additional cost is estimated to be between \$6.00 and \$8.00. Please indicate on the attached sheet what your thoughts are and return it to school by Wednesday. Thank you!

The kindergartners will have gym with Mr. Shay tomorrow.

Have a good week!
Mrs. Pulter

Metropark Field Trip Survey

_____ *Yes, I would be willing to pay an additional amount to travel to the metropark by bus.*

_____ *No, I would prefer not to pay an additional amount to travel to the metropark by bus.*

Name _____
