

Kindergarten News

Dear Parents,

We are excited about our field trip to the metropark on Thursday!
Our science lessons this week will be all about insects.

In Writer's Workshop we have been writing "Small Moment" stories. They are stories about a small moment in our lives that we remember and can share/write about in detail. We have spent many days writing them. We had fun reading them to each other. Today they will be coming home for your child to read to you. Please be sure to have your author share his/her story with as many people as possible. They are really quite proud of their work - as they should be. Every story turned out GREAT!!

Tomorrow will be the last day Book Club books will be coming home. Please have all books returned by Thursday. We will have a special Book Club celebration next week. Thank you for your support of this program throughout the year.

The class had gym with Mr. Shay today.

As you know, there will be no school on Friday (Bishop's day off) and Monday in observance of Memorial Day. I hope you enjoy the holiday weekend!

Thank you,

Mrs. Pulter
