

2nd Grade NEWS!

Week: January 18, 2010

*Weekly Notes

Report cards came home on Friday. If you would like to meet to discuss your child's grades or the Iowa test scores, I can be flexible. Let me know a day and time that works for you. Please send the signed envelope back as soon as possible.

Open house and pancake breakfast will be held on this coming Sunday. We invite you to come see our classroom and enjoy a delicious pancake breakfast in the PLC. Hope to see you then.

The 2nd graders were very excited about their geometry project and hopefully all is going well. I would like to display the robots at Open House so I asked the children to bring them in on Friday. If you have any questions about the project, please let me know. I knew that some parents were in trouble when I overheard the kids talking about moving parts and sound effects. They can be very simple as long as they use one of every solid figure listed in the directions.

Have a great week.

K. Applin

Monday:

No School

Tuesday:

Phys. Ed
Library – Nightly Reading
Reading Journals due from 1/12

Wednesday:

Music
