

## 2<sup>nd</sup> Grade NEWS!

Week: December 7 - 11

### \*Weekly Notes

Even though Christmas is right around the corner, we are very busy in 2<sup>nd</sup> grade learning about many new things. This week we will be:

Starting cursive! The children are very excited!

Subtracting double-digits without regrouping

Discussing good and bad choices and how we can

Make good choices

Reviewing the Rite of Reconciliation

Acting out our Bible stories that we have covered in

Our Reconciliation unit. We found that using the New playground is a great place to act these stories

Out. We had Zacchaeus up in the “tree” looking Over the crowd to see Jesus. We have a few more

Groups to act out their stories.

This week, I would like to do something different for our Library time. On Tuesday, I would like the children to pick out a Christmas book that they can read to the class. I will continue to help them select a book, if you would practice with them at home. I usually read a book at snack time but I thought it would be nice if they took turns reading.

They will still do a book report. I will send home a book report form in the shape of an ornament. I will also be sending home some decorations for your child to use to decorate the ornament. Please have your student return the ornament the next day so we can hang them in our room.

Have your child bring the book in to read anytime they are ready. If the book does not work out for them for some reason, let me know. You can also pick a book from home if the library book does not work out.

Have a good week.
