

2nd Grade NEWS!

Week: February 22 - 26

*Weekly Notes

It is so nice to be back. The teachers had a wonderful experience at Columbia University and are excited to start exploring ways in which we can introduce the reading/writing workshop to our children. Even though we spent four full days learning the workshop, we will begin in small steps and take our time as we continue to learn more about the process.

Thank you to Lyric Hodgson for teaching last week. I know the children enjoyed having her in the classroom and it made being out of the classroom easier for me knowing she was there with the 2nd graders.

Thank you to the volunteers that sent in Valentine treats and drinks for the party. I heard that it was a great success. Thank you for all my Valentine cards and surprises. They were very nice to come home to.

We usually pick our own library books on the last Tuesday of the month but since we did that last week, we will begin nightly reading this Tuesday. Journals will be due next Monday. Just a reminder that I need the journals on Monday so that I can check them and put the new assignments in them before handing them back out on Tuesday. Thanks.eb

Have a good week.
