

## 2<sup>nd</sup> Grade NEWS!

Week: February 8 - 12

### \*Weekly Notes

A big thank you to all those wonderful parents who made Catholic Schools Week such a huge success! The students, faculty and staff very much appreciated all the hard work that went into making last week truly a memorable one.

This week we will be celebrating 100's Day and Valentine's Day. Please send in Valentine cards anytime they are ready. We will be celebrating on Thursday. Thank you to the parents sending in treats.

What we are working on in the classroom:

- \*Phonics – Contractions
- \*Writing – Writing friendly letters
- \*Science – new chapter - Fossils/Dinosaurs
- \*Math – Finish up chapters on regrouping and geometry
- \*Social Studies – How people use the environment
- \*Religion – We will begin our unit covering the Mass.

I thought it would be helpful if the children used their books from Mrs. Bronson called the Little Missal. Please have your child bring it to school. If you did not receive one, just let me know and I will get one for them. I would like to start using them at Friday Mass.

Friday begins our winter break. I hope everyone enjoys the time off and gets a chance to relax. School is back in session on Tuesday the 16<sup>th</sup>.
