

2nd Grade NEWS!

Week: March 15 - 19

*Weekly Notes

Thank you !

Thank you to all the wonderful parents who made the Auction such a great success! It really was a celebration of what St. Mary's is all about. We are a true community who works together for a common goal...our children. I appreciate all you do.

The 2nd graders have been enjoying our classroom library. They have been learning about what it takes to be good readers. They love their quiet reading time (I enjoy it too!). I have been spending time with each of them, discussing their books and finding out what wonderful independent readers they are.

This week, we will start focusing on Writer's Workshop. We will start with the children writing a small moment story that has recently happened to them. I am anxious to watch the progress over the next few months. I am sure we have many budding young authors!

I am looking forward to seeing our fathers at Mass on Friday morning. I hope you can join us.

Have a great week!
