

2nd Grade NEWS!

Week: March 22 - 26

*Weekly Notes

As we continue to prepare for First Holy Communion, we will be comparing family meals to receiving Communion each week at Mass with our church family. While developing this important concept of gathering and sharing meals, I have found that designing a dinner plate with symbols of the Eucharist to be very beneficial and enjoyable for the children. We will be continuing our 2nd grade tradition and be designing dinner plates that the children like to use at their own family meals. They will be designing them before Easter break so that I can send them in to be processed and sent back before May 2nd. I will be sending a note home this week with all the information you will need if you would like to order a plate that features your child's art work.

Enjoy the week!
