

2nd Grade NEWS!

Week: May 10 - 14

*Weekly Notes

I hope that all the 2nd grade mothers enjoyed the weekend and especially had a wonderful day yesterday. The 2nd graders were excited to bring their gifts home and I hope you enjoyed them as much as I did. I loved hearing all the stories about you and why you are the best! They were just beaming while writing and illustrating their presents.

Don't forget about our big night on Thursday. The children have been practicing and are ready to perform Peter Rabbit – The Musical. I'm sure that Mrs. Martin will be sending home any information you will need for that night. The performance will take place at 7:00 at Cantrick. Hope to see you there.

Thank you to our parents who joined us on a soggy Friday morning to chaperon AG Day. The children didn't seem to mind the rain while they were busy looking at and petting rabbits, baby ducks and chicks. They learned about llamas and introduced themselves to Pork Chop the Pig. We spent the most amount of time in a safe and dry building learning about electricity from Edison employees. The children seemed to enjoy the presentation that was filled with a lot of valuable information. The highlight of the morning...ice cream cones!

Friday's Mass at the Motherhouse was beautiful. What a nice experience for all. How wonderful it was to see our 2nd graders go up to communion together as a class.

Have a great week !

K. Applin

Monday: Great Kid Folders

Computer
Art
Reading Journals due
Spelling packets
Stars of the Week -

Tuesday:

Nightly Reading
Reading Journals due 5/17

Wednesday:
