

2nd Grade NEWS!

Week: May 24 - 28

Weekly Notes

Just a reminder that this is a short week. There will be no school on Friday. This was a present from Bishop Reiss. I hope everyone enjoys the 4 day weekend.

I was wondering if anyone has a group picture of First Communion that I could make a copy of. I would like to put it in our classroom. Our last project is to complete a mural they are making of themselves on their First Communion Day. If you have been in our classroom, you have seen the mural of the Last Supper that the children made on Holy Thursday. I think it is important for the 2nd graders to make the connection that the Last Supper was the first Communion. Recreating a mural of them around the altar that resembles the Last Supper seems to be a wonderful way for them to make that connection.

Even though Nightly Reading has come to an end, please keep your children reading. I have enjoyed watching the progress they have made throughout the year and I am very proud of all of them. We will continue to do activities in the classroom with our reading and writing workshops.

With 10 days left, there is still work to be done. I find it beneficial to students and teacher to keep teaching and to keep the students busy especially this week with our sunny 80 degree weather that is predicted!

Have a great week!
