We will continue to work on multiplication...please don't let up over Christmas!!! We have a lot to cover in our math standards so these facts need to be memorized!! Hopefully ALL the children will be *experts* in the facts 0 – 7 by January!! I do flashcards and other exercises and games three times a day but they still need the reinforcement from you! Thanks!

Have a wonderful Christmas and may the New Year bring many blessings to you and yours.

**Merry Christmas!!**
