

## **Dec. 7 - 11**

- Monday** tech, x3s, telling time, Religion:Unit 1 review
- Tuesday** 8:15 Mass, art, Secret Santa
- Wednesday** phys. ed., x4s, library
- Thursday** music, atrium
- Friday** spelling test, tech, Religion Unit 1 test

Thank you for making sure your child has the tools necessary to get started each morning. Some of their paper supplies are running low as well.

Don't forget that the Saint reports are due on Wednesday. We will begin sharing them this week. Since we are discussing the Communion of Saints, this project works well.

Keep practicing those multiplication facts...as you can see we are up to 4s this week. The web site, "Coolmath.com" is a great place to let the kids practice on their own. The game "Math Blaster" is also a good tool.

**Have a good week!!**
