

## April 26 – 30

**Literacy** – We will finish Sarah, Plain and Tall and begin our new class novel. Our read along novel is Shiloh and the children are reading their own choices from the library. We continue to practice the strategies that make us better readers, such as predicting, connecting to our lives, asking ourselves questions and rereading.

We are still working on our small moments writing pieces. Having Mrs. Passon come to talk to us has been inspiring!! She was a great speaker and we were so lucky that she was able to spend time with us! She told us all about the process of writing Family Vacation Malfunction and gave lots of pointers of ways to be better readers and writers.

Adverbs are still being studied in grammar.

**Math** – We will discuss symmetry of figures and begin figuring perimeter.

**Religion** – Chapter 23 teaches us ways to pray. Don't forget to keep practicing the Our Father, Hail Mary, Act of Contrition and Apostle's Creed with your child.

**Social Studies** – We will examine the three branches of Government and the purpose of each.

**Science** – the study of sounds and how they are produced will continue.

## Rotating Schedule

Monday      phys. ed.

Tuesday     music

Wednesday  tech, library

Thursday    art, atrium

Friday       spelling test, Religion quiz, Mass (us)
